On August 9, 2018 (the “Closing Date”), the Company completed the Acquisition. Prior to the closing of the Acquisition, Power Products consummated a reorganization such that the Company did not acquire businesses of Power Products other than the Global Marine Business. **Item Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**  
**2.03.**

Pursuant to that certain Term Loan Credit Agreement (the “Credit Agreement”), dated as of August 7, 2018 (the “Effective Date”), among the Company, the lenders party thereto (the “Lenders”) and JPMorgan Chase Bank, N.A., as administrative agent (the “Administrative Agent”), the Company borrowed from the Lenders on the Closing Date term loans in an aggregate principal amount of \$800,000,000 (the “Term Loans”), consisting of (a) a \$300,000,000 364-day tranche (the “364-Day Facility”), (b) a \$150,000,000 3-year tranche (the “3-Year Facility”) and (c) a \$350,000,000 5-year tranche (the “5-Year Facility”) and, together with the 364-Day Facility and the 3-Year Facility, the “Term Loan Facilities”). On the Effective Date, the commitments with respect to the \$800,000,000 tranche B bridge facility previously described in the July 3 Current Report were reduced to \$0. The proceeds of the Term Loans were used by the Company to finance in part the Acquisition, including repayment of certain outstanding debt of Power Products under its existing credit facilities and payment of fees and expenses in connection with the foregoing.

The Term Loans will mature on the earlier to occur of (a) (i) in the case of the 364-Day Facility, the date that is 364 days after the Closing Date, (ii) in the case of the 3-Year Facility, the date that is three years after the Closing Date, and (iii) in the case of the 5-Year Facility, the date that is five years after the Closing Date, and (b) the date on which the maturity of the Term Loans is accelerated in accordance with the terms of the Credit Agreement.

At the election of the Company, the Term Loans will bear interest at a per annum rate equal to the reserve-adjusted Eurocurrency Rate or the Base Rate (in each case determined in accordance with the Credit Agreement), plus (a) for loans borrowed under the 364-Day Facility and the 3-Year Facility, a margin that fluctuates between 112.5 basis points and 225.0 basis points in the case of loans priced at the reserve-adjusted Eurocurrency Rate, and between 12.5 basis points and 125.0 basis points in the case of loans priced at the Base Rate, in each case based on the senior, unsecured, non-credit-enhanced debt ratings of the Company by S&P Global Ratings and Moody’s Investors Service, Inc. (the “Ratings”) and (b) for loans borrowed under the 5-Year Facility, a margin that fluctuates between 137.5 basis points and 250.0 basis points in the case of loans priced at the reserve-adjusted Eurocurrency Rate, and between 37.5 basis points and 150.0 basis points in the case of loans priced at the Base Rate, in each case based on the Ratings.

The Credit Agreement contains certain customary representations and warranties, affirmative and negative covenants and events of default. Negative covenants include, among others, limitations on the incurrence of indebtedness and liens by the Company and its subsidiaries and limitations on certain mergers and consolidations and dispositions by the Company and its subsidiaries. In addition, the Credit Agreement requires that the Company maintain a ratio of consolidated total indebtedness to consolidated earnings before interest, taxes, depreciation and amortization of no greater than 3.50 to 1.00, and a ratio of consolidated earnings before interest, taxes, depreciation and amortization to consolidated interest expense of not less than 3.00 to 1.00.

Any change in the Alternate Base Rate due to a change in the Prime Rate, the New York Fed Bank Rate or the Adjusted Eurocurrency Rate shall be effective from and including the effective date of such change in the Prime Rate, the New York Fed Bank Rate or the Adjusted Eurocurrency Rate, respectively. If the Alternate Base Rate is being used as an alternate rate of interest pursuant to Section 2.14 hereof, then the Alternate Base Rate shall be the greater of clauses (a) and (b) above and shall be determined without reference to clause (c) above. For the avoidance of doubt, if the Alternate Base Rate as so determined would be less than zero, such rate shall be deemed to be zero for purposes of this Agreement.

“Anti-Corruption Laws” means all laws, rules and regulations of any jurisdiction applicable to the Company or any of its Subsidiaries from time to time concerning or relating to bribery or corruption.

If the Commitments have terminated or expired, the Applicable Percentages shall be determined based upon the Commitments most recently in effect, giving effect to any assignments and to any Lender’s status as a Defaulting Lender at the time of determination.

“Applicable Pricing Grid” means the table set forth below:

Applicable Ratings (S&P and Moody's)	Applicable Rate			
	364-Day Tranche Loans and 3-Year Tranche Loans		5-Year Tranche Loans	
	ABR Loans	Eurocurrency Loans	ABR Loans	Eurocurrency Loans
Rating Level 1: BBB+/Baa1 or above	0.125%	1.125%	0.375%	1.375%
Rating Level 2: BBB/Baa2	0.25%	1.25%	0.50%	1.50%
Rating Level 3: BBB-/Baa3	0.50%	1.50%	0.75%	1.75%
Rating Level 4: BB+/Ba1	0.75%	1.75%	1.00%	2.00%
Rating Level 5: lower than BB+/Ba1	1.25%	2.25%	1.50%	2.50%

For purposes of the Applicable Pricing Grid, (i) “Ratings” means the highest of the ratings in effect from each of S&P and Moody’s for senior, unsecured, non-credit-enhanced (other than by guarantees of Subsidiaries that at the time guarantee the Obligations hereunder (if any)) long-term Indebtedness for borrowed money (including under this Agreement, whether or not Loans are outstanding at such time) of the Company or, if no ratings for such senior, unsecured, non-credit enhanced, long-term Indebtedness of the Company shall be available, the Company’s corporate, issuer or similar ratings by S&P and Moody’s; (ii) if the Ratings established or deemed to have been established by Moody’s and S&P shall be changed (other than as a result of a change in the rating system of Moody’s or S&P), such change shall be effective as of the date on which it is first announced by the applicable rating agency; (iii) if the Ratings established or deemed to have been established by Moody’s and S&P shall fall within different Levels, the Applicable Rate shall be based on the higher of the two Ratings unless one of the two Ratings is two or more Levels lower than the other, in which case the Applicable Rate shall be determined by reference to the Level next below that of the higher of the two Ratings; (iv) if either Moody’s or S&P shall not have in effect a Rating (other than by reason of the circumstances referred to in the last sentence of this definition), the Applicable Rate shall be based on the Rating by the other rating agency; and (v) if neither Moody’s nor S&P shall have in effect a Rating, the Applicable Rate shall be based on Level V. Each change in the Applicable Rate shall apply during the period commencing on the effective date of such change and ending on the date immediately preceding the effective date of the next such change. If the rating system of Moody’s or S&P shall change, or if either such rating agency shall cease to be in the business of rating corporate credit, the Company and the Lenders shall negotiate in good faith to amend this definition to reflect such changed rating system and, pending the effectiveness of any such amendment, the Applicable Rate shall be determined by reference to the Rating most recently in effect prior to such change.

In addition, at all times while an Event of Default shall have occurred and be continuing then, if the Administrative Agent or the Required Lenders shall so determine, the highest rate set forth in each column of the Applicable Pricing Grid shall apply. Notwithstanding anything herein to the contrary, to the extent that it is determined during the term of this Agreement that the Applicable Rate was incorrectly determined to be a lower rate because of information or statements provided by the Company, then the Company shall pay on demand to the Administrative Agent any amounts that the Company would have owed if such Applicable Rate had been initially determined correctly.

“Applicable Rate” means for each Type and Class of Loan, the rate per annum determined pursuant to the Applicable Pricing Grid.

“Approved Fund” means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

“Arrangers” means Morgan Stanley Senior Funding, Inc., JPMorgan Chase Bank, N.A., Merrill Lynch, Pierce, Fenner & Smith Incorporated and Wells Fargo Securities, LLC in their capacities as joint lead arrangers and joint bookrunners with respect to the financing hereunder.

“Asset Sale” means a Disposition by the Company or any of its Subsidiaries (excluding the Target and its Subsidiaries prior to the Closing Date), including any loss of or damage to, or any condemnation or other taking of, any such property, except Excluded Asset Sales.

“Assignment and Assumption” means an assignment and assumption entered into by a Lender and an assignee (with the consent of any party whose consent is required by Section 10.04), and accepted by the Administrative Agent, in the form of Exhibit A or any other form approved by the Administrative Agent.

“Available Collateral” means (a) Foreign Receivables, assets of Foreign Holdcos and assets of the Company or any of its Subsidiaries that are located outside the United States or Canada at foreign branches of the Company or such Subsidiary and (b) Foreign Equity Interests.

“Available Sale and Leaseback Collateral” means assets of Foreign Holdcos and assets of the Company or any of its Subsidiaries that are located outside the United States or Canada at foreign branches of the Company or such Subsidiary.

“BAC Joint Venture” means Brunswick Acceptance Company, LLC, a joint venture company (a majority of the Equity Interests of which is owned on the Effective Date by Commercial Distribution Finance or one of its Subsidiaries and the remainder thereof by the Company and/or any Subsidiary of the Company) or any successor Person or contractual arrangement pursuant to which Commercial Distribution Finance or one of its Subsidiaries (or any other direct or indirect successor to which the Equity Interests currently owned by Commercial Distribution Finance may be transferred) provides floorplan financing for the domestic boat and engine dealers of the Company or any of its Subsidiaries. For the avoidance of doubt, it is understood and agreed that the BAC LLC Agreement may be amended or replaced with the result that the joint venture between the Company and Commercial Distribution Finance or one of its Subsidiaries or other successors in interest will continue under contractual arrangements (notwithstanding that the Company may not have any Equity Interest in such joint venture) and that in such event such contract or contracts shall constitute the “BAC LLC Agreement” and the arrangements provided for therein shall constitute the “BAC Joint Venture”. The BAC Joint Venture existing on the Effective Date may in addition be replaced in whole or in part by one or more other joint ventures between the Company or one of its Subsidiaries and a financing party other than Commercial Distribution Finance or one of its Subsidiaries or successors in interest so long as the differences between the terms of such joint venture and those of the BAC LLC Agreement are not materially adverse to the Lenders. In such event, then “BAC Joint Venture” shall mean such replacement joint venture (or shall mean joint ventures collectively if there is more than one) from and after its inception and the terms “BAC Joint Venture Obligations” and “BAC LLC Agreement” shall have correlative meanings in respect of the organizational documents and contractual obligations of any such replacement joint venture.

Subject to the terms and conditions set forth herein, each Lender severally agrees to make Term Loans denominated in Dollars to the Company on the Closing Date; provided that (i) with respect to 364-Day Tranche Loans, the aggregate principal amount of the 364-Day Tranche Loans made by each 364-Day Tranche Lender shall not exceed such Lender’s 364-Day Tranche Commitment in effect immediately prior to making such 364-Day Tranche Loan, (ii) with respect to 3-Year Tranche Loans, the aggregate principal amount of the 3-Year Tranche Loans made by each 3-Year Tranche Lender shall not exceed such Lender’s 3-Year Tranche Commitment in effect immediately prior to making such 3-Year Tranche Loan and (iii) with respect to 5-Year Tranche Loans, the aggregate principal amount of the 5-Year Tranche Loans made by each 5-Year Tranche Lender shall not exceed such Lender’s 5-Year Tranche Commitment in effect immediately prior to making such 5-Year Tranche Loan; provided further that if for any reason (other than a default by such Lender) the full amount of any Lender’s Commitment is not fully drawn by the Company on the Closing Date, the undrawn portion thereof shall automatically be cancelled upon giving effect to the funding of the drawn Term Loans on the Closing Date. Any amount borrowed under this Section 2.01 and subsequently repaid or prepaid may not be reborrowed. Each Lender’s Commitment shall terminate immediately and without further action on the Closing Date after giving effect to the funding of such Lender’s Commitment on the Closing Date.

SECTION 2.02 Loans and Borrowings.

(a) Obligations of Lenders. Each Term Loan to the Company shall be made as part of a Borrowing comprised of Loans of the same Type and Class made by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Type of Loans. Subject to Section 2.14 each Borrowing by the Company shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Company may request in accordance herewith. Each Lender at its option may make any Eurocurrency Loan by causing any U.S. or non-U.S. branch or any Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Company to repay such Loan in accordance with the terms of this Agreement.

(c) Minimum Amounts; Limitation on Number of Borrowings. Each Eurocurrency Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 and not less than \$1,000,000. Each ABR Borrowing shall be in an aggregate amount equal to \$500,000 or a larger multiple of \$500,000; provided that an ABR Borrowing may be in an aggregate amount that is equal to the entire unused balance of the applicable Commitment. Borrowings of more than one Type may be outstanding at the same time; provided that there shall not at any time be more than a total of ten Eurocurrency Borrowings outstanding.

(d) Limitations on Interest Periods. Notwithstanding any other provision of this Agreement, the Company shall not be entitled to request (or to elect to convert to or continue as a Eurocurrency Borrowing) any Borrowing if the Interest Period requested therefor would end after the applicable Maturity Date.

#### SECTION 2.03 Requests for Borrowings.

(a) Borrowing Requests. To request a Borrowing, the Company shall notify the Administrative Agent of such request by telephone:

(i) in the case of a Eurocurrency Borrowing, not later than 11:00 a.m., New York city time, two Business Days before the date of the proposed Borrowing; or

(ii) in the case of an ABR Borrowing, not later than 9:00 a.m., New York City time, on the date of the proposed Borrowing.

Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or facsimile to the Administrative Agent of a written Borrowing Request in a form approved by the Administrative Agent and signed by the Company.

(b) Content of Borrowing Requests. Each telephonic and written Borrowing Request shall specify the following information in compliance with Sections 2.01 and 2.02:

(i) the aggregate amount of the requested Borrowing;

(ii) the Class(es) of the requested Borrowing;

(iii) the date of such Borrowing (which shall be a Business Day);

(iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;

(v) in the case of a Eurocurrency Borrowing, the initial Interest Period therefor, which shall be a period contemplated by the definition of the term “Interest Period” and permitted under Section 2.02(d); and

(vi) the location and number of the account to which funds are to be disbursed, which shall comply with the requirements of Section 2.07.

(c) Notice by Administrative Agent; Determination of Lender Ratable Shares. Promptly following receipt of a Borrowing Request for a Borrowing by the Company in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender’s Loan to be made as part of the requested Borrowing.

(d) Failure to Elect. With respect to any Borrowing Request by the Company:

(i) if no election as to the Type of such Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing; and

(ii) if no Interest Period is specified with respect to any requested Eurocurrency Borrowing, the Company shall be deemed to have requested an ABR Borrowing.

SECTION 2.04 [Reserved].

SECTION 2.05 [Reserved].

SECTION 2.06 [Reserved].

SECTION 2.07 Funding of Borrowings.

(a) Funding by Lenders. Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 10:00 a.m., New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Company by promptly crediting the amounts so received, in like funds, to an account designated by the Company in the applicable Borrowing Request.

(b) Presumption by the Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Company a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the relevant Lender and the Company agree (severally and not jointly) to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Company to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the

Federal Funds Effective Rate or (ii) in the case of the Company, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. With respect to any share of a Borrowing not made available by a Lender as contemplated above, if such Lender subsequently pays its share of such Borrowing to the Administrative Agent, then the Administrative Agent shall promptly repay any corresponding amount paid by the Company to the Administrative Agent as provided in this paragraph (including interest thereon to the extent received by the Administrative Agent); provided that such repayment to the Company shall not operate as a waiver or any abandonment of any rights or remedies of the Company with respect to such Lender.

SECTION 2.08 Interest Elections.

(a) Elections by the Company for Borrowings. The Loans constituting each Borrowing initially shall be of the Type and Class(es) specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Company may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing as a Borrowing of the same Type and, in the case of a Eurocurrency Borrowing, may elect the Interest Period therefor, all as provided in this Section; provided that the Class of a Loan cannot be changed. The Company may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the relevant Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) Notice of Elections. To make an election pursuant to this Section, the Company shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Company were requesting a Borrowing of the Type and Class resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or facsimile to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Company.

(c) Content of Interest Election Requests. Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

- (i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) of this paragraph shall be specified for each resulting Borrowing);
- (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period therefor after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period" and permitted under Section 2.02(d).

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Company shall be deemed to have requested an Interest Period of one month's duration.

(d) Notice by the Administrative Agent to the Lenders. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) Failure to Elect; Events of Default. If the Company fails to deliver a timely and complete Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Company, then, so long as an Event of Default is continuing (A) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (B) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

The Company shall notify the Administrative Agent of any election to terminate or reduce the Commitments of any Class under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Company pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments of any Class delivered by the Company may state that such notice is conditioned upon the consummation of another transaction or event, in which case such notice may be revoked by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(d) Effect of Termination or Reduction. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be allocated to any Class or Classes of Commitments as directed by the Company, and applied ratably among the Lenders in accordance with their respective Commitments under such Class or Classes.

SECTION 2.10 Scheduled Repayment of Loans; Evidence of Debt.

(a) Repayment. The Company hereby unconditionally promises to pay the outstanding Loans as follows: (a) to the Administrative Agent for the ratable account of each 364-Day Tranche Lender on the Maturity Date applicable thereto the outstanding principal amount of 364-Day Tranche Loans made to the Company then outstanding, (b) to the Administrative Agent for the ratable account of each 3-Year Tranche Lender on the Maturity Date applicable thereto the outstanding principal amount of 3-Year Tranche Loans made to the Company then outstanding, (c) to the Administrative Agent for the ratable account of each 5-Year Tranche Lender on the last Business Day of each March, June, September and December, commencing with the first such date to occur at least 90 days after the Closing Date, in an aggregate amount equal to 2.50% of the aggregate principal amount of the 5-Year Tranche Loans made on the Closing Date and (d) to the Administrative Agent for the ratable account of the 5-Year Tranche Lenders on the Maturity Date applicable thereto, the remaining outstanding principal amount of the 5-Year Tranche Loans made to the Company then outstanding.

(d) Maintenance of Records by the Administrative Agent. The Administrative Agent shall maintain records in which it shall record (i) the amount of each Loan made hereunder, the Type thereof, the Class thereof and each Interest Period therefor, (ii) the amount of any principal or interest due and payable or to become due and payable from the Company to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the relevant Lenders and each such Lender's share thereof.

(e) Effect of Entries. The entries made in the records maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such records or any error therein shall not in any manner affect the obligation of the Company to repay the Loans made to the Company in accordance with the terms of this Agreement.

(f) Promissory Notes. Any Lender may request that Loans made by it to the Company be evidenced by a promissory note. In such event, the Company shall prepare, execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns and in a form approved by the Administrative Agent. Thereafter, the Loans to the Company evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more promissory notes in such form payable to such payee and its registered assigns.

Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. The Company agrees to pay to the Administrative Agent for the account of each Lender commitment fees (the "Commitment Fees") at a rate per annum equal to 15 basis points on the daily average undrawn Commitment of such Lender, accruing during the period from and including the Effective Date and ending on the earlier of (x) the Commitment Termination Date and (y) the Closing Date, payable in arrears on the last Business Day of each March, June, September and December and on such earlier date. Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, such Defaulting Lender will not be entitled to Commitment Fees accruing with respect to its Commitment during such period pursuant to this subsection. Commitment Fees shall be calculated on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) Administrative Agent Fees. The Company agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Company and the Administrative Agent.

(c) Payment of Fees. All fees payable hereunder shall be paid on the dates due, in Dollars and immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances.

#### SECTION 2.13 Interest.

(a) ABR Loans. The Loans constituting each ABR Borrowing shall bear interest at a rate per annum equal to the Alternate Base Rate plus the Applicable Rate.

(b) Eurocurrency Loans. The Loans comprising each Eurocurrency Borrowing shall bear interest at a rate per annum equal to the Adjusted Eurocurrency Rate for the Interest Period in effect for such Borrowing for the relevant currency plus the Applicable Rate.

(c) Default Interest. Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Company hereunder is not paid when due, whether at stated maturity, upon acceleration, by mandatory prepayment or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided above or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(d) Payment of Interest. Accrued interest on each Loan shall be payable in arrears, in the currency such Loan was made, on each Interest Payment Date for such Loan and upon termination of the Commitments; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of a ABR Loan prior to the applicable Maturity Date), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Borrowing prior to the end of the current Interest Period therefor, accrued interest on such Borrowing shall be payable on the effective date of such conversion.

(e) Computation. All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted Eurocurrency Rate or Eurocurrency Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14 Alternate Rate of Interest. (a) If prior to the commencement of any Interest Period for any Eurocurrency Borrowing in any currency:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (A) adequate and reasonable means do not exist for ascertaining the Eurocurrency Rate or the Adjusted Eurocurrency Rate for such Borrowing for such Interest Period or (B) the making of any Eurocurrency Borrowing would be illegal or conflict with any Requirement of Law; or

(ii) the Administrative Agent is advised by the Required Lenders that the Eurocurrency Rate or the Adjusted Eurocurrency Rate with respect to such Borrowing for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their respective Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Company and the Lenders by telephone or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Company and the Lenders that the circumstances giving rise to such notice no longer exist, (x) any Interest Election

Request that requests the conversion of any Borrowing to, or the continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and such Borrowing (unless prepaid) shall be continued as, or converted to, a ABR Borrowing and (y) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as a ABR Borrowing. Until such relevant notice has been withdrawn by the Administrative Agent, no further Eurocurrency Loans shall be made or continued as such, nor shall the Company have the right to convert ABR Loans to Eurocurrency Loans.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.14(a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 2.14(a)(i) have not arisen but either (w) the supervisor for the administrator of the LIBO Screen Rate has made a public statement that the administrator of the LIBO Screen Rate is insolvent (and there is no successor administrator that will continue publication of the LIBO Screen Rate), (x) the administrator of the LIBO Screen Rate has made a public statement identifying a specific date after which the LIBO Screen Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the LIBO Screen Rate), (y) the supervisor for the administrator of the LIBO Screen Rate has made a public statement identifying a specific date after which the LIBO Screen Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Screen Rate may no longer be used for determining interest rates for loans, then the Administrative Agent and the Company shall endeavor to establish an alternate rate of interest to the Eurocurrency Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Rate); provided that, if such alternate rate of interest as so determined would be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 10.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this Section 2.14(b) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.14(b), only to the extent the LIBO Screen Rate for Dollars and such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and (y) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

#### SECTION 2.15 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) subject any Lender to any Taxes (other than (A) Indemnified Taxes and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

(ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted Eurocurrency Rate); or

(iii) impose on any Lender or the London interbank market any other condition (other than Taxes) affecting this Agreement or Eurocurrency Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lenders of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Company will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Company will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates from Lenders. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Company shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than six months prior to the date that such Lender notifies the Company of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Dodd-Frank Act; Basel III. Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith or in implementation thereof shall, in each case, be deemed to be a Change in Law, regardless of the date enacted, adopted, issued or implemented.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice is permitted to be revocable hereunder and is revoked in accordance therewith) or (d) the assignment as a result of a request by the Company pursuant to Section 2.19(b) of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, then, the Company shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender attributable to any such event shall be deemed to include an amount determined by such Lender to be equal to the excess, if any, of (i) the amount of interest that such Lender would pay for a deposit equal to the principal amount of such Loan for the period from the date of such payment, conversion, failure or assignment to the last day of the then current Interest Period for such Loan (or, in the case of a failure to borrow, convert or continue, the duration of the Interest Period that would have resulted from such borrowing, conversion or continuation) if the interest rate payable on such deposit were equal to the Adjusted Eurocurrency Rate for such Interest Period, over (ii) the amount of interest that such Lender would earn on such principal amount for such period if such Lender were to invest such principal amount for such period at the interest rate that would be bid by such Lender (or an Affiliate of such Lender) for deposits from other banks in the eurocurrency market at the commencement of such period. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.17 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes except as required by applicable law; provided that if any Taxes are required to be withheld or deducted from such payments, then (i) if such Taxes are Indemnified Taxes, the sum payable by the applicable Loan Party shall be increased as necessary so that after making all required deductions or withholdings (including deductions and withholdings applicable to additional sums payable under this Section) the Administrative Agent, a Lender (or with respect to a Lender treated as a partnership for U.S. federal income tax purposes its direct or indirect partners) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall make such deductions or withholdings and (iii) such withholding agent shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law.

(b) Payment of Other Taxes. In addition, the Loan Parties shall timely pay, or at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Indemnification of the Administrative Agent and the Lenders. Without duplication of the obligations of each Loan Party pursuant to Section 2.17(a) or (b), each Loan Party shall indemnify the Administrative Agent and each Lender, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent or such Lender, as the case may be, and any penalties, interest and reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such

Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority, in each case on or with respect to payments by or on account of any obligations of any Loan Party hereunder or under any other Loan Document. A certificate as to the amount of such payment or liability delivered to any Loan Party by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by a Loan Party to a Governmental Authority pursuant to this Section, such Loan Party shall deliver to the Administrative Agent for its own account, the account of the relevant Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Indemnification of the Administrative Agent and the Loan Parties. Each Lender shall, within 30 days after demand therefor, indemnify (i) the Administrative Agent for the full amount of any Taxes attributable to such Lender and any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.04(c) relating to the maintenance of a Participant Register, and (ii) each of the Loan Parties for the full amount of any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent or such Loan Party, as the case may be, in connection with any Loan Document, and reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. Any Lender that is entitled to an exemption from or reduction of any applicable withholding tax with respect to payments hereunder or under any other Loan Document shall deliver to the Company (with a copy to the Administrative Agent), at the time or times reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, in the case of any withholding tax other than U.S. federal withholding tax, the completion, execution and submission of such forms shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

Without limiting the generality of the foregoing,

(i) any Lender that is a "United States person" (as defined in Section 7701(a)(30) of the Code) shall deliver to the Company and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Company or the

Administrative Agent), duly completed copies of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax;

(ii) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Company or the Administrative Agent), whichever of the following is applicable:

(A) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor form) claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(B) duly completed copies of Internal Revenue Service Form W-8ECI or IRS Form W-8EXP (or any successor form),

(C) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that (i) such Non-U.S. Lender is not (A) a “bank” within the meaning of section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Company within the meaning of section 881(c)(3)(B) of the Code, and (C) a “controlled foreign corporation” described in section 881(c)(3)(C) of the Code, and (ii) the interest payments in question are not effectively connected with the United States trade or business conducted by such Lender (a “U.S. Tax Compliance Certificate”) and (y) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor form),

(D) to the extent a Non-U.S. Lender is not the beneficial owner (for example, where the Non-U.S. Lender is a partnership or participating Lender granting a typical participation), an Internal Revenue Service Form W-8IMY (or any successor form), accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E (or any successor form), U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that, if the Non-U.S. Lender is a partnership (and not a participating Lender) and one or more beneficial owners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such beneficial owner, or

(E) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Company or the Administrative Agent to determine the withholding or deduction required to be made; and

(iii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those

contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Company and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.17(f), the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so.

In the event the Administrative Agent or any Lender shall become subject to Taxes because of its failure to deliver a form required under this Section, the Company (and, if applicable, the relevant Loan Party) shall take such steps as the Administrative Agent or such Lender, as the case may be, shall reasonably request to assist it to recover such Taxes; provided that, in the reasonable judgment of the Company (or such Loan Party), such steps shall not subject the Company (or such Loan Party) to any unreimbursed cost or expense and would not otherwise be disadvantageous to the Company (or such Loan Party) in any material respect.

(g) Refunds. If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Loan Party, upon the request of the Administrative Agent or such Lender agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the Administrative Agent or such Lender be required to pay any amount to a Loan Party pursuant to this paragraph (g) the payment of which would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the Administrative Agent or such Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(h) Survival. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Payments by the Loan Parties.

(i) Each Loan Party shall make each payment required to be made by it hereunder (whether of principal, interest or fees, or under Section 2.15, 2.16 or 2.17, or otherwise) or under any other Loan Document (except to the extent otherwise provided therein) on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after 12:00 noon, New York city time on any such due date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the Administrative Agent's Account, except as otherwise expressly provided in the relevant Loan Document and payments pursuant to Sections 2.15, 2.16, 2.17 and 10.03, which shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

(ii) All amounts owing under this Agreement are payable in Dollars.

(b) [Reserved].

(c) Pro Rata Treatment. Except to the extent otherwise provided herein: (i) subject to Section 2.03(c), each Borrowing shall be made from the relevant Lenders and each termination or reduction of the amount of the Commitments under Section 2.09 shall be applied to the respective Commitments of the Lenders, pro rata according to the amounts of their respective Commitments; (ii) each Borrowing shall be allocated pro rata among the relevant Lenders to the Company according to the amounts of their respective Commitments (in the case of the making of Loans) or their respective Loans that are to be included in such Borrowing (in the case of conversions and continuations of Loans); (iii) each payment or prepayment of principal of Loans by the Company shall be made for the account of the relevant Lenders pro rata in accordance with the respective unpaid principal amounts of the Loans made to the Company held by them; (iv) each payment of interest on Loans by the Company shall be made for the account of the relevant Lenders pro rata in accordance with the amounts of interest on such Loans then due and payable to the respective Lenders and (v) each payment of facility fees under Section 2.12 shall be made for the account of the Lenders pro rata in accordance with the amounts of facility fees then due and payable to the respective Lenders; provided that if pro rata share is being determined with respect to a Class of Commitments or Loans, then the numerator and denominator shall be determined with respect to the Commitments and/or Loans of such Class only.

(d) Sharing of Payments by Lenders. If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon then due than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise

thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Company pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Company or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Company consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Company rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Company in the amount of such participation.

(e) Presumptions of Payment. Unless the Administrative Agent shall have received notice from the Company prior to the date on which any payment is due to the Administrative Agent for the account of a Lender hereunder that the Company will not make such payment, the Administrative Agent may assume that the Company has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to such Lender the amount due. In such event, if the Company has not in fact made such payment, then each of the relevant Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Federal Funds Effective Rate.

(f) Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.07(a) or 2.18(e), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

#### SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 2.15, or if the Company is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender; provided that, upon any such change in any lending office or assignment, such Lender shall provide or cause to be delivered to the Administrative Agent and the Company the appropriate forms specified in and to the extent by Section 2.17. The Company hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 2.15, if the Company is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or if any Lender becomes a Defaulting Lender, then the Company may, at its sole expense and effort, require such Lender (each a "Departing Lender"), upon notice to such Departing Lender and the

Administrative Agent, to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Company shall have received the prior written consent of the Administrative Agent, (ii) the Departing Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Company (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Departing Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Company to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment and delegation required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Company, the Administrative Agent and the assignee and that the Lender required to make such assignment and delegation need not be a party thereto.

SECTION 2.20 Returned Payments. If after receipt of any payment which is applied to the payment of all or any part of the Company Obligations, the Administrative Agent or any Lender is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason, then the Company Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by the Administrative Agent or such Lender. The provisions of this Section 2.20 shall be and remain effective notwithstanding any contrary action which may have been taken by the Administrative Agent or any Lender in reliance upon such payment or application of proceeds. The provisions of this Section 2.20 shall survive the termination of this Agreement.

SECTION 2.21 [Reserved].

SECTION 2.22 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Commitment Fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) the Commitments and Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 10.02), provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender; and

(c) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 2.18(d) but excluding Section 2.19) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and, subject to any applicable Requirements of Law, be applied at such time

or times as may be determined by the Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder (ii) second, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (iii) third, if so determined by the Administrative Agent and the Company, held in such account as cash collateral for future funding obligations of the Defaulting Lender in respect of any Loans under this Agreement, (iv) fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, (v) fifth, to the payment of any amounts owing to the Company as a result of any judgment of a court of competent jurisdiction obtained by the Company against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and (vi) sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction, provided, with respect to this clause (vi), that if such payment is (x) a prepayment of the principal amount of any Loans which a Defaulting Lender has funded its participation obligations and (y) made at a time when the conditions set forth in Section 4.02 are satisfied, such payment shall be applied solely to prepay the Loans of, and reimbursement obligations owed to, all non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans, or reimbursement obligations owed to, any Defaulting Lender

In the event that the Administrative Agent and the Company each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then on such date such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

(b) The Company and each of its Subsidiaries (other than Immaterial Subsidiaries) is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required, except where the failure to be so qualified or in good standing could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

The Transactions are within the Company's corporate powers and have been duly authorized by all necessary corporate action and, if required, by all necessary shareholder, member, partner or other like action. The Loan Documents to which the Company is a party have been duly executed and delivered by the Company and constitute a legal, valid and binding obligation of the Company, enforceable in accordance with its terms, except as such enforceability may be limited by (a) bankruptcy, insolvency, reorganization, moratorium or similar laws of general applicability affecting the enforcement of creditors' rights and (b) the application of

Such financial statements present fairly, in all material respects, the financial condition and results of operations and cash flows of the Company and its Subsidiaries as of such dates and for such periods in accordance with GAAP, subject, in the case of such quarterly statements, to the absence of notes and normal year-end adjustments. As of the Effective Date, neither the Company nor any of its Subsidiaries has any material Guarantee obligations, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that in accordance with GAAP would be required to be disclosed in the most recent financial statements referred to in this paragraph but are not disclosed in such financial statements.

(b) No Material Adverse Effect. Since December 31, 2017, no event, change or condition has occurred that has had, or could reasonably be expected to have, a Material Adverse Effect.

Each such registration and application that is material to the conduct of the

business of the Company and its Subsidiaries taken as a whole is subsisting, and has not expired or been abandoned or cancelled.

SECTION 3.06 Litigation and Environmental Matters.

No material Tax liens have been filed and no material claims are being asserted with respect to any Taxes.

SECTION 3.09 ERISA. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes Accounting Standards Codification No. 715: Compensation-Retirement Benefits) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan by an amount that could reasonably be expected to result in a Material Adverse Effect.

SECTION 3.14 Solvency. (e) the Company shall fail to observe or perform any covenant, condition or agreement contained in this Agreement (other than those specified in clause (a), (b), (c) or (d) of this Article) or any other Loan Document and such failure shall continue unremedied for a period of 30 or more days after notice thereof from the Administrative Agent;

(f) the Company or any Subsidiary shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Indebtedness, when and as the same shall become due and payable, or any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (with or without the giving of notice, the lapse of time or both) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (f) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness;

(g) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) bankruptcy, liquidation, winding up, dissolution, reorganization, examination, suspension of general operations or other relief in respect of the Company or any Subsidiary (other than any Non-Material Subsidiary) or its debts, or of a substantial part of its assets, under any Insolvency Law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Company or any Subsidiary (other than any Non-Material Subsidiary) or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for a period of 60 or more days or an order or decree approving or ordering any of the foregoing shall be entered;

(h) the Company or any Subsidiary (other than any Non-Material Subsidiary) shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any Insolvency Law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (g) of this Article, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Company or any Subsidiary (other than any Non-Material Subsidiary) or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing;

(i) the Company or any Subsidiary (other than any Non-Material Subsidiary) shall become unable, admit in writing its inability or fail generally to pay its debts as they become due;

(j) one or more judgments for the payment of money in an aggregate amount in excess of \$50,000,000 shall be rendered against the Company or any Subsidiary or any combination thereof and the same shall remain undischarged for a period of 30 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Company or any Subsidiary to enforce any such judgment;

(k) (i) an ERISA Event shall have occurred, (ii) a trustee shall be appointed by a United States district court to administer any Plan, (iii) the PBGC shall institute proceedings to terminate any Plan(s) or (iv) the Company or any of its ERISA Affiliates shall have been notified by the sponsor of a Multiemployer Plan that it has incurred or will be assessed Withdrawal Liability to such Multiemployer Plan; and in each case in clauses (i) through (iv) above, such event or condition, when taken together with all other ERISA Events that have occurred, could reasonably be expected to result in a Material Adverse Effect;

(l) a Change in Control shall occur;

(m) any Loan Guaranty shall fail to remain in full force or effect with respect to any Guarantor or any action shall be taken by any Guarantor to discontinue or to assert the invalidity or unenforceability of any Loan Guaranty with respect to any Guarantor, or any Guarantor shall deny that it has any further liability under any Loan Guaranty, or shall give notice to such effect, or shall contest the enforceability of any Loan Guaranty, in each case other than as expressly provided therein or in Section 5.10;

(n) [reserved];

(o) the Company or any Subsidiary shall (i) be the subject of any proceeding or investigation pertaining to the release of any Hazardous Material into the indoor or outdoor environment, or (ii) violate any Environmental Law, which, in the case of any event described in clause (i) or clause (ii), has resulted in an Environmental Liability in an amount which, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect, which Environmental Liability is not properly reserved against, paid, bonded or otherwise discharged within thirty (30) days or which is not being reasonably contested in good faith; provided that, after taking into account any such reserve, or the terms of any such payment, bond or discharge, or the pendency of any such contestment, such Environmental Liability could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; or

(p) the Company shall challenge the enforceability of any Loan Document or shall assert in writing, or engage in any action or inaction based on any such assertion, that any Loan Document has ceased to be or otherwise is not valid, binding and enforceable in accordance with its terms;

then, and in every such event (other than an event with respect to any of the Company described in clause (g) or (h) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Company (on behalf of itself and all other Loan Parties), take either or both of the following actions, at the same or different times: (i) at any time prior to the Closing Date during which an Event of Default pursuant to clause (a) or (b) of this Article has occurred and is continuing, terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) at any time following the making of the Loans on the Closing Date, declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and

payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Loan Parties accrued hereunder or under any Loan Guaranty, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Company (on behalf of itself and all other Loan Parties); in case of any event with respect to the Company described in clause (g) or (h) of this Article, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Loan Parties accrued hereunder or under any Loan Guaranty, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Company (on behalf of itself and all other Loan Parties). Upon the occurrence and the continuance of an Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the Uniform Commercial Code.

## ARTICLE VIII

### THE ADMINISTRATIVE AGENT

Each of the Lenders hereby irrevocably appoints the Administrative Agent as its agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to, invest in and generally engage in any kind of business with the Loan Parties or any Subsidiary of a Loan Party or other Affiliate thereof as if it were not the Administrative Agent hereunder.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.02), and (c) except as expressly set forth herein and in the other Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any Subsidiary of any Loan Party that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. Each party hereto agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and the transactions contemplated hereby. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall not be deemed to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Company or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other

Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein, (iv) the adequacy, accuracy or completeness of any information (whether oral or written) set forth herein or therein, or in connection herewith or therewith, (v) the validity, enforceability, adequacy, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, (i) any representation, notice, request, certificate, consent, statement, instrument, document or other writing or communication believed by it to be genuine and to have been authorized, signed or sent by the proper Person, (ii) any statement made to it orally or by telephone and believed by it to be made or authorized by the proper Person or (iii) any statement made by a director, authorized signatory or employee of any Person regarding any matters which may reasonably be assumed to be within his or her knowledge or within his or her power to verify. The Administrative Agent may consult with legal counsel (who may be counsel for the Company or any of its Subsidiaries), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent does not warrant the accuracy or completeness of any electronic communications, or the adequacy of any electronic platform and expressly disclaims liability for errors or omissions in any electronic platform and electronic communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by the Administrative Agent in connection with any electronic communications or any electronic platform. In no event shall the Administrative Agent have any liability to any Loan Party, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Administrative Agent's transmission of communications through the internet or any electronic platform.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

The Administrative Agent may resign at any time by notifying the Lenders and the Company. Upon any such resignation, the Required Lenders shall have the right to appoint a successor with (unless an Event of Default shall have occurred and be continuing) the prior written consent of the Company (which consent shall not be unreasonably withheld). If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent's resignation shall nonetheless become effective and (1) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and (2) the Required Lenders shall perform the duties of the Administrative Agent (and all payments and communications provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly) until such time as the Required Lenders appoint a successor agent as provided for above in this paragraph. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall

succeed to and become vested with all the rights, powers, privileges, obligations and duties of the retiring (or retired) Administrative Agent and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Company to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 10.03 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Except as otherwise provided in Section 10.02(b) with respect to this Agreement, the Administrative Agent may, with the prior consent of the Required Lenders (but not otherwise), consent to any modification, supplement or waiver under any of the Loan Documents.

Notwithstanding anything herein to the contrary, the Arrangers, Joint Bookrunners, Syndication Agents and Documentation Agents named on the cover page of this Agreement shall not have any duties or liabilities under this Agreement, except in their capacity, if any, as Lenders.

(iii) if to a Lender, to it at its address (or facsimile number) set forth in its Administrative Questionnaire.

All such notices and other communications (i) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received or (ii) sent by facsimile shall be deemed to have been given when sent, provided that if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II unless otherwise agreed by the Administrative Agent and such Lender. The Administrative Agent or the Company (on behalf of itself and all other Loan Parties) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (b)(i) of notification that such notice or communication is available and identifying the website address therefor. Without limiting the foregoing, the Administrative Agent agrees that, unless it shall otherwise advise the Company, notices to be delivered by the Company to the Administrative Agent pursuant to Article II (including any such notices permitted to be given by telephone or facsimile) may be delivered by e-mail transmissions to the Administrative Agent at such e-mail address (or addresses) as the Administrative Agent shall from time to time notify the Company.

(c) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto (or, in the case of any such change by a Lender, by notice to the Company and the Administrative Agent).

#### SECTION 10.02 Waivers; Amendments.

(a) No Deemed Waivers; Remedies Cumulative. No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Company therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time.

(b) Amendments. Except as provided in Section 2.14(c), neither this Agreement, nor the other Loan Documents, nor any provision hereof or thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Company (on behalf of itself and all other Loan Parties) and the Required Lenders or by the Company (on behalf of itself and all other Loan Parties) and the Administrative Agent with the written consent of the Required Lenders; provided that no such agreement shall

- (i) increase the Commitment of any Lender without the written consent of such Lender;
- (ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender affected thereby;
- (iii) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby;
- (iv) change Section 2.09(d) without the consent of each Lender affected thereby;
- (v) [reserved];
- (vi) change any of the provisions of this Section or the percentage in the definition of the term “Required Lenders” or “Tranche Majority Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender;
- (vii) [reserved];
- (viii) permit any Loan Party to assign its rights hereunder or under any Loan Guaranty or release any material Guarantor (if any) from its Loan Guaranty without the consent of each Lender;
- (ix) change any of the provisions of Section 2.22 without the written consent of the Administrative Agent or change the order of application of amounts payable set forth in clause (c) of such section without the written consent of each affected Lender;
- (x) subordinate payment under any Loan Document without the written consent of each Lender; or
- (xi) change any of the provisions of Section 2.18(c) without the written consent of each Lender.

provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent. To the extent any amendment, waiver or consent applies to only one Class of Loans, only the Tranche Majority Lenders (and not the Required Lenders) of such Class shall be needed to approve such amendment,

waiver or consent; provided that any such amendment, waiver or consent that provides Guarantees and/or collateral to one Class of Loans and not to any other Class of Loans then outstanding prior to the Maturity Date of the other Classes shall require the consent of the Tranche Majority Lenders of each Class.

(c) [Reserved].

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender affected thereby”, the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Company may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity (other than the Company or any of its Affiliates) which is reasonably satisfactory to the Company and the Administrative Agent shall agree, as of such date, (x) to purchase for cash the Loans and other Company Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date, (y) to comply with the requirements of paragraph (b) of Section 10.04 (with the Company or the replacement Lender being responsible for any applicable processing or recordation fee) and (z) to consent to the relevant proposed amendment, and (ii) the Company shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Company hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender. Each Lender agrees that an assignment required to be made by it pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Company, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

(e) Approved Amendment. Notwithstanding anything to the contrary herein, the Lenders agree and hereby consent that this Agreement shall be amended to reflect the amendments to the provisions of this Agreement as set forth in Schedule 10.02, provided that the effectiveness of each such amendments set forth in such Schedule 10.02 shall be subject to the following conditions: (i) each relevant amendment set forth in Schedule 10.02 shall not be effective until the corresponding amendment to the equivalent provision under the Existing Revolving Credit Agreement shall have been approved by the Required Lenders (as defined in the Existing Revolving Credit Agreement) under the Existing Revolving Credit Agreement, substantially under the same terms as set forth in Schedule 10.02 (as reasonably determined by the Administrative Agent) and (ii) the Company and the Administrative Agent (acting pursuant to the authorization of the Lenders set forth herein) shall have entered into an amendment or an amendment and restatement of this Agreement to reflect all or any of the amendments set forth in Schedule 10.02. Subject to the terms and conditions set forth in this Section 10.02(e), the Lenders hereby authorize the Administrative Agent to enter into any such amendments and/or amendments and restatements of this Agreement and the other Loan Documents to amend this Agreement to reflect the amendments set forth in Schedule 10.02 hereto, without obtaining further approvals or consents from the Lenders. The Administrative Agent is hereby authorized to receive and deliver such agreements, documents and instruments as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent to effect the provisions of this Section 10.02(e). In addition, the Administrative Agent is authorized to effect modifications to

each of the amendments set forth in Schedule 10.02 to the extent that (i) such modifications are more restrictive to the Company and its Subsidiaries than the amendments set forth in Schedule 10.02 as reasonable determined by the Administrative Agent and (ii) such amendments or modifications are consistent with the corresponding amendments to the Existing Revolving Credit Agreement as approved by the Required Lenders under and as defined in the Existing Revolving Credit Agreement.

SECTION 10.03 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Company shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent, in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facilities provided for herein, the preparation and administration of this Agreement and any other Loan Document or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) and (ii) all out-of-pocket expenses incurred by the Administrative Agent or any Lender, including the reasonable fees, charges and disbursements of any counsel for the Administrative Agent or any Lender, in connection with the enforcement, collection or protection of its rights in connection with this Agreement or any other Loan Document, including its rights under this Section, or in connection with the Loans made hereunder, including all such out-of-pocket expenses incurred in connection with any workout, restructuring or negotiations in respect of such Loans. Expenses being reimbursed by the Company under this Section include, without limiting the generality of the foregoing, costs and expenses incurred in connection with (i) sums paid or incurred to take any action required of any Loan Party under the Loan Documents that such Loan Party fails to pay or take; and (ii) forwarding loan proceeds, collecting checks and other items of payment.

(b) Indemnification by the Company. The Company shall indemnify the Administrative Agent and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee"), against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument pursuant thereto, the performance by the parties thereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions in connection therewith, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials under, at, on or from any property owned, leased or operated by the Company or any of its Subsidiaries, or any Environmental Liability related in any way to the Company or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or its Related Parties or from a material breach of the agreements of such Indemnitee or its Related Parties. This Section 10.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Company fails to pay any amount required to be paid by it to the Administrative Agent under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent in its capacity as such.

(d) Waiver of Consequential Damages, Etc. To the extent permitted by applicable law, the Company shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (including exemplary damages and as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions or any Loan or the use of the proceeds thereof.

(e) Payments. All amounts due under this Section shall be payable promptly after written demand therefor.

#### SECTION 10.04 Successors and Assigns.

(a) Assignments Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Company may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Company without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders.

(i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (other than a natural person) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Company, provided that no consent of the Company shall be required (i) for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, (ii) prior to the Closing Date, if an Event of Default under clause (a), (g) or (h) of Article VII has occurred and is continuing or (iii) on and after the Closing Date, if an Event of Default has occurred and is continuing, for an assignment to any other Person; provided, further, that the Company shall be deemed to have consented to any such assignment unless the Company shall object thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof; and

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Company and the Administrative Agent otherwise consent; provided that no such consent of the Company shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500, provided that assignments made pursuant to Section 2.19(b) or 10.02(d) shall not require the signature of the assigning Lender to become effective; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Company, the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including federal, provincial, territorial and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraphs (b)(iv) and (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 10.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Company, shall maintain at one of its offices in New York City a copy of each Assignment and Assumption delivered to it and a register for the recordation of (x) the names and addresses of the Lenders and (y) the Commitment of, and outstanding principal amount of each Loan made by, each Lender and, in all cases pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive, and the Company, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender, as the case shall be, hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Company and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this paragraph (b) and any written consent to such assignment required by this paragraph (b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.07(b), 2.18(d) or 10.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Participations.

(i) Any Lender may, without the consent of any Loan Party, the Administrative Agent or any Lender, sell participations to one or more banks or other entities (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement and the other Loan Documents shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Loan Parties, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and the other Loan Documents. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 2.17(e) with respect to any payments made by such Lender to its Participant(s). Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 10.02(b) that affects such Participant. Subject to paragraph (c)(i) of this Section, the Company agrees that each Participant shall be entitled to the benefits and subject to the limitations of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant of which the Company has

been given prior written notice also shall be entitled to the benefits of Section 10.08 as though it were a Lender, provided that such Participant agrees to be subject to Sections 2.18(d) and 2.19 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Company, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the relevant Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Company's prior written consent (not to be unreasonably withheld or delayed) or except to the extent such entitlement to receive a greater payment results from an adoption of or any Change in Law that occurs after the Participant acquired the applicable participation; provided that the Participant complies with all obligations under or relating to Section 2.18(d) and Section 2.19, in all cases as though it were a Lender.

(d) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any such pledge or assignment to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(e) No Assignments to the Company or Affiliates. Anything in this Section to the contrary notwithstanding, no Lender may assign or participate any interest in any Loan held by it hereunder to the Company or any of its Affiliates or Subsidiaries without the prior consent of each Lender.

SECTION 10.05 Survival. All covenants, agreements, representations and warranties made by the Company herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17,

10.03 and 10.12 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the Transactions, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

SECTION 10.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract between and among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page to this Agreement by facsimile shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 10.07 Severability. Any provision of this any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 10.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Loan Party against any of and all the Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmaturing; provided that to the extent prohibited by applicable law as described in the definition of "Excluded Swap Obligation," no amounts received from, or set off with respect to, any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 10.09 Governing Law; Jurisdiction; Judicial Proceedings; Etc.

(a) Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York, provided that, notwithstanding the foregoing, it is understood and agreed that the interpretation of (i) an Acquired Companies Material Adverse Effect and whether an Acquired Companies Material Adverse Effect has occurred, (ii) the accuracy of any representation made by the Target and whether as a result of any inaccuracy thereof the Company (or any of its Affiliates) has the right (without regard to any notice requirement) to terminate its obligations (or to refuse to consummate the transactions) under the Acquisition Agreement and (iii) whether the Transactions have been consummated in accordance with the terms of the Acquisition Agreement, in each case, shall be governed by, and construed and interpreted in accordance with, the laws of the State of Delaware.

(b) Submission to Jurisdiction. The Company hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the courts of

the state of New York, the courts of the United States for the Southern District of New York, and appellate courts from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement of any other Loan Document against the Company or its properties in the courts of any jurisdiction.

(c) Waiver of Venue. The Company hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Appointment of Agent for Service of Process. Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 10.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(e) Service of Process. Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 10.01. The Company hereby consents to process being served in any suit, action or proceeding of the nature referred to in Section 10.09(b) in any federal or New York State court sitting in New York City by service of process upon its agent appointed as provided in Section 10.09(d); provided that, to the extent lawful and possible, notice of said service upon such agent shall be mailed by registered or certified air mail, postage prepaid, return receipt requested, to the Company at its address set forth in the Designation Letter to which it is a party or to any other address of which the Company shall have given written notice to the Administrative Agent (with a copy thereof to the Company). The Company irrevocably waives, to the fullest extent permitted by law, all claim of error by reason of any such service in such manner and agrees that such service shall be deemed in every respect effective service of process upon the Company in any such suit, action or proceeding and shall, to the fullest extent permitted by law, be taken and held to be valid and personal service upon and personal delivery to the Company. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 10.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES

THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 10.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 10.12 Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent requested by any regulatory or self-regulatory authority, (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iv) to any other party to this Agreement, (v) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (vi) subject to an agreement containing provisions substantially the same as those of this paragraph, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Loan Parties and their respective obligations, (vii) with the consent of the Company or (viii) to the extent such Information (A) becomes publicly available other than as a result of a breach of this paragraph or (B) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Company. For the purposes of this paragraph, "Information" means all information received from the Company or any of its Subsidiaries relating to the Company, its Subsidiaries or their respective business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Company and other than information pertaining to this Agreement routinely provided by Arrangers to data service providers, including league table providers, that serve the lending industry; provided that, in the case of information received from the Company after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. Notwithstanding anything herein to the contrary, after a Lender ceases to be a Lender under this Agreement, the provisions of this paragraph shall expire and cease to be effective with respect to such Lender on the date that is two years after the date such Lender ceased to be a Lender.

**EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 10.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE COMPANY AND ITS AFFILIATES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL, PROVINCIAL, TERRITORIAL AND STATE SECURITIES LAWS.**

**ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE COMPANY OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE**

**SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE COMPANY, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE COMPANY AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL, PROVINCIAL, TERRITORIAL AND STATE SECURITIES LAWS.**

SECTION 10.13 [Reserved].

SECTION 10.14 Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Each Lender hereby represents that it is not relying on or looking to any Margin Stock for the repayment of the Borrowings provided for herein. Anything contained in this Agreement to the contrary notwithstanding, no Lender shall be obligated to extend credit to the Company in violation of any Requirement of Law.

SECTION 10.15 Conflicts. In the event of any conflict between the terms of this Agreement and the terms of any other Loan Document, the terms of this Agreement shall, to the extent of such conflict, prevail.

SECTION 10.16 USA PATRIOT Act. Each Lender hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), such Lender may be required to obtain, verify and record information that identifies the Loan Parties, which information includes the names and addresses of the Loan Parties and other information that will allow such Lender to identify the Loan Parties in accordance with said Act.

SECTION 10.17 [Reserved].

SECTION 10.18 [Reserved].

SECTION 10.19 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable;
  - (i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority:

## News Release

### **Brunswick Completes Acquisition of Power Products' Global Marine & Mobile Business**

**METTAWA, Ill. Aug. 9, 2018** – Brunswick Corporation (NYSE: BC) today announced that it has completed its acquisition of Power Products – Global Marine & Mobile business, which includes the global marine, specialty vehicle, mobile, industrial power, and transportation aftermarket products businesses of Power Products, for \$910 million in cash from San Francisco-based private equity firm Genstar Capital.

As previously announced, Genstar will retain Power Products' Electrical Construction & Maintenance business, now known as ECM Industries, which includes the Gardner Bender, Bergen, King, and Sperry Instruments brands.

With this acquisition, Brunswick adds a broad, highly attractive, and complementary product portfolio of 11 top brands, including Ancor, BEP, Blue Sea Systems, Czone, Del City, Lenco Marine, Marinco, Mastervolt, Park Power, Progressive Industries, and ProMariner to its global Mercury Marine parts and accessories (P&A) business.

Power Products is a leading provider of electrical products, such as battery and power management and digital switching, to marine and other recreational and specialty vehicle markets. The group also manufactures and distributes a wide-ranging and diverse portfolio of marine and transportation parts and accessories.

Power Products joins Mercury Marine's P&A organization. Mercury Marine is Brunswick's largest division, and a global leader in marine propulsion as well as marine parts and accessories.

---

Power Products' revenues totaled approximately \$233 million for the trailing 12-month period ended March 31, 2018, with attractive revenue growth, along with strong margin and earnings levels.

As planned, Brunswick used a combination of 1, 3 and 5-year term loans, totaling \$800 million, along with cash on its balance sheet to finance the transaction. Brunswick remains committed to retaining its investment grade credit rating. As announced earlier, Brunswick plans to refinance a portion of the short-term bank loans with long-term debt later this year and lower its pro forma debt-to-EBITDA ratio to comfortably below 1.5X by the end of 2019.

"This transaction advances Brunswick's leadership by adding integrated electrical systems solutions to the marine market and an array of other mobile, specialty vehicle and industrial applications. Power Products has an extensive aftermarket presence which provides a consistent revenue stream, with attractive margins, that helps to strengthen Brunswick's overall business profile," Brunswick Chairman and Chief Executive Officer Mark Schwabero said. "Along with welcoming an accomplished and respected global workforce, we are also adding a talented, experienced, and customer-focused management team, which will remain in place and play a major role in the execution of our strategy."
