** It is expected that delivery of the Notes will be made against payment therefor on or about, December 3, 2018, which is the fifth business day following the date hereof (such settlement cycle being referred to as “T+ 5”). Under Rule 15c6-1 under the Securities Exchange Act of 1934 trades in the secondary market generally are required to settle in two business days, unless the parties to a trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes on the next three trading days will be required, by virtue of the fact that the Notes initially will settle in T+5, to specify alternative arrangements at the time of any such trade to prevent failed settlement and should consult their own advisors.
